Calicinto Ranch is a non-profit 501 (c)3 organization

Kudos to Canyon Lake Community Church & Friends!

This past March, several generous folks from a home bible study donated four vacuums to Calicinto. Wow! Special thanks goes to **Bob & Joanne Anderson, Hal & Juanita Adams, Gil Bothwell, Karen Butzel, Marv & Kay Busse, Joyce Davolt, Al & Ellie Gingher, Mel & Jean LeBlanc, Angelo & Poppy Sorce and Herb & Mary Zimmerman**. Just when our vacuums were ready to retire you all stepped up and eagerly made this wonderful and much needed contribution to Calicinto. **Way to go!**

Porterville Youth were so greatly impacted and moved by Calicinto Kids they gave a generous donation! Wow! Little did these 66+ kids from Porterville know how much their own lives would be impacted by what Calicinto is doing to change the lives of at-risk children, they spontaneously passed around a jar and collected \$500 for Calicinto kids camp. It is amazing to see this generation willingly help those in need. Thank you **Pastor Rich Hartenberg** and **Pastor Doyle & Lanie Hawkins** we appreciate your leadership and support! Thank you Porterville Youth!

A big Yeehaw! goes out to all the hard working folks over at **Yorba**

Linda Friends Church! This summer, Calicinto Kids will be able to look forward to redeeming their "buckaroos" (earned for good character while at Calicinto) thanks to Yorba Linda Friends Church Roadside Service! Several large bags of all kinds of prizes, board games, bouncy balls, gunny sacks and much more were generously given to Calicinto Kids Camp! Leaders, **Brittany Brechwald, Joe Schmaltz, Nola Tobin & Ryan Ketelsleger** headed to Calicinto with huge goals this past week. While most youth groups head to camp to be entertained and have fun, this group of 70+ junior highers came with a great eagerness to serve-others. What an absolutely wonderful job they did! Besides the amazing accomplishments of painting 6 cabins, not to mention the digging & earth moving headed up by **Eric Schwab & Justin Guerrero** this group was able to see first hand as well as experience and run a camp, as Calicinto was also serving Calicinto Kids at the same time.

1...2...3...Yeehaw!! to Yorba Linda Friends Junior Highers

Blessed! Thank you **Southern California Edison & Controltec** for donating over \$1,240, a digital camera (valued over \$200), over 40 sleeping bags, kitchen towels, toothbrushes, and pillows. Calicinto Kids will greatly benefit from your generous support! These past donations were wonderfully headed up by Edison's **Joyce Hurst & Controltec's Laura Verstraten**.

Thank you Edison & Controltec Employees for taking action!
